

## Information for the Petition for Bill 222

1. All entries MUST have their Name and Address printed in a legible fashion.
2. All entries MUST have a signature.
3. Do not write anything else down on the petition as any additional text / scribbles could very well have the whole page thrown out from the rest of the petition upon submission.
4. All entries MUST be legitimate people, I know the feeling and need for this is to get as many people as possible but we must be sure that we can guarantee the authentication of all signatures. If you fill out Name and Address to ensure good penmanship, be sure that the person is the one to sign their name on the final field.
5. Once you have the petition completed, please forward it via mail to the address listed below:
